Apparently conscious that the charges gainst the President, even if proved and in no sense be brought under the gad definition of "high crimes and missed and the country far and wide. The locality says:

Apparently conscious that the charges gainst the President, even if proved and in no sense be brought under the gad definition of "high crimes and missed and of high crimes and missed and the country of the sense of good taste, these charges are essentially "event at the sense of the Enternation, which the planation of the sense of the Enternation which the planation of the sense of the Enternation which the planation of the sense of the Enternation which the planation of the sense of the Enternation which the planation of the sense of the Enternation which the planation of the sense of the Enternation which the planation of the sense of the Enternation which the planation of the sense of gains the President, even if proved any other laws b to take role of the Chief Justice in this s The maxim in Bracton was probably much like that of some round-but

> rican. (Digest 50, 17, 75.) This maxim of Parinian is general in its terms; but, Dr. Taylor (Elements of the Civil Law, 168.) applies it directly as a restriction upon the lawgiver; and a declaration in the Code leaves no doubt as to the sense the Code leaves no doubt as to the sense conditions. In the adoption of rules by the formation in the poor courtesy of submitting such rules to the Chief Justice before their adoption was not thought necessary. Nor, indeed, can we well see how they could have been so submitted; for nearly all their material parts, where not discussions and facta proterita revocari, nise communication, et de proterita tempore, et allow pendentibus negotius captum sit.
>
> This passage, according Code, 1, 14, 7.) This passage, according | lenced there, and out-voted everywhere the best interpretation of the civilians, by his partisan jurymen, whenever either eistes not merely to future suits, but to a point of law came up for his decision States and placing a creature of tueir rislative power was not then distinctly lice in this trial, may be said to have known or prescribed. The prince was culminated last Friday in the motion of in the habit of interpreting his own laws.

own in his stead. These insults to the highest ermine of the band, and these prearranged invasions of the rightful powers and prerogative of the Chief Jusfor particular occasions. This was called should be stripped of his robes and title, the interfection principle; and this, according to Huber's dennition, was quando rendered powerless, in so far as any unprincipes inter partes toquantur, et jus constitutional vote of the Senate can ac diesal. (Precise, Juris, Rom., vol. 2, complish these objects—and that he complish these objects-and that he 545 | No correct civilian, and, especially, no proud admirer of the ancient orders and in the express words of the Liepathic, (if any such then existed,) Constitution, as Chief Justice, but should out have reflected on this interference be made to "roost lower," with the less to provide rights and pending suits formidable title of "Mr. President." TENNESSEE.

-At a negro settlement in Nashville, before us should have been acknowledged | a negro desperado, Sam. Slaughter, and | u. a. moon. The fact shows that it must be tally wounding him on Sanday last.
